Dear Friends,

The Miss Shelton State Pageant is one of our college's most exciting events. Your loyal support of our contestants is very much appreciated.

Over \$5,000,000 in scholarship funds are available to the pageant participants who compete on local, state, and national levels. As a preliminary to the Miss Alabama and Miss America Pageants, the Miss Shelton State pageant will give the winner the opportunity to compete against many of the most talented individuals in our state.

Each of our contestants is dedicated, talented, and professional. We wish them the very best and are excited about their representation of our college and the West Alabama Community.

Ms. Scarlett Walker, pageant director, and her committee have strived to make this event memorable for the contestants. A very special thanks to them and the many individuals who have participated in this pageant.

Sincerely,

Thomas E. Umphrey, President

Dear Friends,

Welcome to the Miss Shelton State Scholarship Pageant! Your support, encouragement and attendance is greatly appreciated. The members of the Miss Shelton State Pageant Committee have worked diligently this year to bring you the best pageant ever. The College enjoys arranging and organizing the pageant as well as awarding scholarships through this project.

The Miss Shelton State Scholarship Pageant is a preliminary to the Miss Alabama Pageant which is a preliminary to the Miss America Pageant. These pageants are no longer mere beauty contests. Through these competitions, many young women are granted the opportunity to further their education. Over \$5,000,000 in scholarship funds are available annually to young ladies who compete at the local, state, and national levels.

The citizens and businesses of Tuscaloosa County merit special thanks for having so generously given of their time and money to sponsor this pageant. Their consideration and generosity allow us to offer scholarships to women to compete at the Miss Alabama Pageant in June 1998. Please accept our sincere gratitude.

When looking through your program book, please pay close attention to the sponsors, local citizens and businesses who made this pageant possible. We ask you to support the businesses and sponsors you see listed in the book. The scholarships given here tonight are possible because of these people.

Of course, this event could not be possible if not for our beautiful, talented, and dedicated contestants. We appreciate these young women competing for the title of "Miss Shelton State." Our committee wishes them success and happiness in their educational and professional careers.

Again, on behalf of the members of the Miss Shelton State Scholarship Pageant Committee, thank you for your support. Now, sit back, relax and enjoy the evening!

Sincerely,

Scarlett
